## 'Luau on the Creek'

### Angie Maserati

The evening was full of fun and entertainment. Angie Maserati came up from the Bay Area and gave an outstanding performance for the crowd of over 150 guests. She and her group played many of their own music. Their style and music were both entertaining and enjoyable to watch and listen to. We hope she will come back again in the future.

### Barbecue By Biasottii

Catered the event

### Pyrophoria Fire Troupe

Put on a show that kept the crowd's attention the entire time they were on stage or walking through the event. They were Awesome
